The PDS provides further information about the main features of MilitarySuper and is available on the MilitarySuper website www.militarysuper.gov.au or by phoning **1300 006 727**.

Who should use this form?

Use this form if you are a Member of the Military Superannuation and Benefits (MSB) Scheme and you have been retrenched or made redundant from the Australian Defence Force (ADF).

Do **not** use this form in the following circumstances:

- if you have ceased employment with the ADF:
 - on the grounds of invalidity
 - on the grounds of resignation under age 55
 - on the grounds of retirement on or after age 55
 - on the grounds of reaching Compulsory Retiring Age (CRA) before age 55
- if you are transferring to full time Reserve duty
- if you are a DFRDB Member

When to use this form

This form can be completed up to three months **before** discharge and no later than three months **after** discharge. However, it is common practice to complete the application as part of DISPAY procedures.

Completing this form

Complete:

- Part A: About yourself
- Part B: Exit details
- Part C: Member Benefit options
- Part D: Employer Benefit options
- Part E: Ancillary Benefit options
- Part F: Identification Requirements
- Part G: Tax File Number
- Part H: Document list (if applicable)
- Part I: Member declaration

Then lodge with MilitarySuper at the address in Part J.

Options

There are two components to your Retrenchment Benefits: a Member Benefit and an Employer Benefit. You may also have a third component, an Ancillary Benefit.

MEMBER BENEFIT

Your Member Benefit consists of the number of units you hold in the MSB Fund plus any earnings thereon. Benefit payments result in the withdrawal of existing units at the unit price applicable on the later of:

- a) the day after exit; **or**
- b) the day on which a Member's application is received by the MSB Board or its Administrator, ComSuper

If you transferred from the DFRDB Scheme, your Member Benefit includes your DFRDB contributions plus notional earnings on those contributions.

The options for your Member Benefit are:

- the **pre 1 July 1999 component** can be taken as a cash lump sum, rolled over, or preserved in the MSB Fund.
- the **post 30 June 1999 component** must be preserved in the MSB Fund or rolled over to another Fund.

If you preserve any of your pre 1 July 1999 component with MSB Fund, any future withdrawal must be in multiples of \$10 000. There must be a minimum of six months between withdrawals.

EMPLOYER BENEFIT

If you are less than age 55 and have been retrenched your options are limited to converting the total Employer Benefit to pension **OR** preserving it all in the MSB Scheme to at least age 55.

Your preserved employer benefit can be paid out earlier in some limited circumstances (e.g. severe financial hardship, total and permanent disablement).

ANCILLARY BENEFIT

You may also have an Ancillary Benefit. An Ancillary Benefit consists of any of the following that have been paid into your MilitarySuper account:

1. Additional Personal Contributions
2. Salary Sacrifice amounts
3. Transfer Amounts
4. Spouse Contributions (please note that spouse contributions are those paid by your partner into your MilitarySuper account)
5. Co-Contributions
6. Super Guarantee amounts

At this point in time you may **roll over** your entire Ancillary Benefit or one or more Ancillary Benefit types. Any Ancillary Benefit type not claimed remains preserved in the MSB Scheme. The Ancillary Benefit may be **cash out** once you have reached your superannuation preservation age and:

- if you are less than 60 – you have permanently retired from the workforce; **or**
- if you are aged 60 or more – you have permanently retired from the workforce or your current employment has ended.

Proportioning

As part of the changes to super, that came into effect on 01 July 2007, proportioning rules were introduced. This means that if you have not reached your preservation age and you claim your non-preserved (ie. Pre 01 July 1999) member benefit, the payment would include both tax free and taxable components.

However, the legislation has now been changed for MSBS members with retrospective effect to 01 July 2007. This means that if you are under your preservation age, and take your pre 01 July 1999 member benefit, you can choose whether to apply all your available tax free amount against your lump sum (up to the amount of your pre 01 July 1999 benefit), or whether to apply the proportioning rules.

For further information on how your benefit is taxed it is recommended that you read the MilitarySuper booklet "Tax and your Military Super Benefit".

Where can you roll over your Ancillary Benefit?

You can roll over your Ancillary Benefit to:

- a regulated superannuation fund
- a retirement savings account (RSA)
- an approved deposit fund

Rollover fund nominations

If you are choosing to rollover part of your benefit, it must be paid to a complying superannuation fund, rollover fund, Retirement Savings Account (RSA). We will not deduct tax from any amount rolled over to another fund however, the receiving fund will deduct 15% tax from any untaxed component of the rollover.

You can nominate two rollover funds or RSA's to receive all or part of your lump sum benefit. Complete one nomination if you are going to roll over your entire benefit to one fund. If you are going to split the amount, complete both nominations with details of the second fund.

We will make all rollover cheques payable to your nominated rollover fund(s) send them directly to your nominated fund(s). Please make sure you have the correct postal address of your fund(s).

When completing this section you must include the name and Australian Business Number (ABN) for the nominated rollover fund or RSA. Providing the Superannuation fund number (SFN) is optional. If you have a membership number for the rollover fund or RSA, please include this number. If you do not have a membership number, please list a Superannuation Product Identification Number (SPIN). You can get these details from the rollover fund or RSA. If you don't include these details, it will result in payment delays of your benefit. Please ensure your nominated rollover account(s) is active and can receive deposits from other superannuation funds. Failure to do so will result in the payment being returned to our office.

Surcharge debt

If you have a superannuation contributions surcharge debt, it will be deducted from your benefit before payment. Interest will also be applied to the surcharge debt until the debt is fully paid.

In deducting the debt from your benefit, default provisions apply if you do not make an election. The default provisions are:

- if the Employer Benefit is converted to pension in part or full, any surcharge debt will be taken from the Employer Benefit after conversion to pension
- if the Employer Benefit is taken as a total lump sum, the debt will be taken from that benefit.

If you choose to make an election, the default provisions will not apply. You may elect for the surcharge debt to be deducted from:

- the Employer Benefit before it is paid as a lump sum or converted to a pension
- the Member Benefit before it is paid as a lump sum
- any Ancillary Benefit before it is paid as a rollover.

Payment

Lump sum payments and rollover cheques are normally paid within 15 working days after your discharge is confirmed or the date we receive your application, whichever is the later.

Tax File Number

In accordance with the *Taxation Laws Amendment (Tax File Numbers) Act 1988*, the MSB Board is required to deduct PAYG tax at the Top Marginal Rate plus the Medicare levy from benefits if a person does not provide a Tax File Number (TFN).

If you have not been issued a TFN you should lodge an Australian Taxation Office Application/ Enquiry form with the Taxation Office. Forms are available at all Taxation Offices. You must provide proof of identity at the time you lodge the form.

Tax File Number Declaration form

If you claim a pension benefit please complete the Tax File Number Declaration form attached to this application. The information you provide on this form will determine how much tax will be deducted from your pension. Please note that you can only claim the tax free threshold against one source of income.
